FENIMORE PROMOTES ANNE PUTNAM TO SENIOR VICE PRESIDENT

Cobleskill, N.Y. (November 3, 2016) – We are pleased to announce the appointment of Anne Putnam to Senior Vice President at Fenimore Asset Management, the investment advisor to FAM Funds. As a second generation and legacy associate, Anne also assists in oversight of firm strategy and vision. She is responsible for firm growth in intermediary distribution including sales, service, and operations to third parties — particularly independent registered investment advisors. Previously, Anne held the position of V.P. of Institutional Development and also functioned as a Client Relationship Manager.

Ms. Putnam holds a BS degree from Bucknell University and an MBA from the Weatherhead School of Management, Case Western Reserve University. Anne currently sits on the boards of Millbrook School, her alma mater, and Proctors Theatre. Additionally, she is an active volunteer with her church in Schenectady. Anne is an outdoor enthusiast, an Adirondack environmentalist, and a steward of Lake George.

“We are excited to recognize the value of Anne’s contributions and look forward to her leadership in this newly expanded role,” said Fenimore Founder and Chairman Tom Putnam. “She continually pursues excellence and is passionate about giving back to the community.”
